

SustainableShipServices

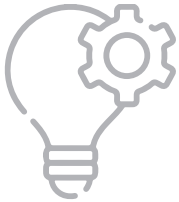

THE MONEGASQUE SOLUTION FOR WASTE
COLLECTION AND TREATMENT DEDICATED
TO MARITIME ACTORS.

ALSO AVAILABLE IN DIGITAL FORMAT & OTHER LANGUAGES :

WHAT IS **Sustainable**ship Services?

INNOVATIVE SERVICE

A tailor-made and dedicated waste collection.

COMPLIANCE

Waste collection and treatment complies with MARPOL Convention and Monaco's Port Waste Management Plan (Direction des Affaires Maritimes et Société d'Exploitation des Ports de Monaco).

TRACEABILITY

Each waste collection involves issuing a waste delivery receipt (Appendix 3 - Standard format for the waste delivery receipt - IMO). In accordance with international and national maritime regulations.

OUR STRENGTHS :

HISTORICAL EXPERTISE,

proximity and responsiveness

EXPERIENCE

SINCE 1938

More than 80 years at the service of cleanliness and waste management in the Principality of Monaco.

CONFIDENCE

LASTING AGREEMENT

A long-standing partnership with the Government and the ports of Monaco.

RELIABILITY

PREMIUM SERVICES

An optimized organization thanks to our human and material resources and our expertise in recovery channels for waste (thermal treatment and recycling).
